Subject: Conditions related to Halal Certificate.

Assalamu Alaikum wa Rahmatullah.

In view of your application in the above matter, the Halal Certificate has been issued/renewed for a period of 02 years in favor of the products mentioned in the application, manufactured by ZHAOFENG GELATIN LIMITED on the following conditions.

Conditions

1. The validity of this certificate will be from 01.07.2025 to 30.06.2027 During this period, if the activities are satisfactory during the re-inspection and the conditions are duly fulfilled, the Halal Certificate can be renewed.
2. At least once every six months, a representative nominated by the Islamic Foundation will inspect the processing activities and submit a report. Based on these reports, the issue of renewal for the next period will be considered. An inspection must be arranged after one year; Otherwise, the next renewal will be questionable.
3. The Islamic Foundation's halal logo must be used on product packages. Another halal logo can't be used.
4. The authority reserves the right to withdraw this certificate at any time if the concerned institution commits any irregularity or violates the conditions.
5. The Islamic Foundation authority may conduct surprise inspections of the production and processing activities of the concerned institution if it deems necessary.
6. If, after obtaining a halal certificate, products are processed due to unethical activities or by mixing non-halal products, all liability will fall on the concerned organization.
7. The ISO-22000 hygiene regulations should be kept in the form of a notice at the main entrance gate of the factory, and the cleanliness standards of the employees should be as per ISO guidelines.
8. While working in the factory, employees should use specific aprons, masks, and gloves.
9. Eating, walking in casual clothes, smoking, taking medicine, etc., should not be allowed in the product processing area.
10. Utmost care must be taken during product packaging and handling to avoid mixing with workers' hair or any other unclean material.
11. The cleanliness standards of the product processing area should be of an international standard.
12. A renewal application should be made at least 1 (one) month before the expiry of the certificate.
